Model 238-P Powered Soil Pipe Cutter

RIDGID® Model 238-P Powered Soil Pipe Cutter cuts cast iron soil pipe quickly and easily in tight spaces. The 238-P is designed to cut up to 8" (200 mm) soil pipe when driven by an impact driver or 4" (100 mm) with the included ratchet.

- **Dual Powered** – Cuts with a ½" square drive impact driver or ratchet.
- **High Capacity** – Cuts 8" (200 mm) diameter soil pipe when used with an impact driver (minimum 340 Nm of torque) or 4" (100 mm) manually.
- **Lightweight** – At 6.1 kg, mounting the tool in difficult places is easy.
- **Compact** – The 29.5 cm length, removable handle, low profile cutter wheels and compact design fits into tight places in both overhead and below ground applications.
- **Clean Cut** – Two directional operation allows scoring of the pipe for a clean cut.
- **Durable** – Patent pending torque limiter protects the tool from overloading.
